Board of Professional Conduct Files Disciplinary Case Reports and Recommendations

The Ohio Board of Professional Conduct has filed seven disciplinary case reports with the Supreme Court of Ohio. One report recommends imposition of a disciplinary sanction for a sitting judge, and six reports recommend discipline for Ohio attorneys.

Parties will have an opportunity to file objections to the Board's reports and recommendations with the Supreme Court. If a party files objections, the Supreme Court will schedule the case for oral argument. Objections are not permitted in consent-to-discipline cases.

Additional information about each case, including the report and recommendation, may be obtained by clicking on the Supreme Court case number. Questions regarding cases pending before the Supreme Court should be directed to the Supreme Court's Office of Public Information at 614.387.9250.
